

The Indy AddOn Pass

Up to 30% Discount for Unrestricted Season Pass Holders

This year, turn your season pass into a travel pass and explore the many independent, authentic Indy Resorts across the US and Canada.

The Indy AddOn Pass is deeply discounted for Indy Resort Partners' Unrestricted Season Pass holders including staff, instructors and ski patrollers. It gives you two days at each of the 70+ Indy resorts plus a third day at 25% off for just \$189 adults, \$89 kids and \$289 for zero blackouts (early-bird pricing through August 31). However, it won't work at your home resort.

It can be purchased on the Indy Pass website starting July 1, 2021 by simply selecting the AddOn Pass option and uploading a photo of your pass of your receipt from your 2021-22 UNRESTRICTED season pass.
