TimberStone® Golf Course

Golf Digest has rated TimberStone® 5 🌟🌟🌟🌟🌟

TimberStone®'s 18-Hole Championship Golf Course is set on 240 beautiful acres in Michigan’s Upper Peninsula. Golf Digest has rated TimberStone® one of the top 24 golf courses in Michigan and one of the top 100 in the Nation. Golf Digest has awarded TimberStone® 5 Stars & defines 5 star courses as “Golf at its absolute best”.

TimberStone® brings golf and nature together like no other. Its lakes, streams and undulating greens, offer beauty and challenges to golfers of all abilities. Golf Digest wrote, “. . . playing a course awarded 5 stars by Golf Digest is a once in a lifetime opportunity. . .”

To our faithful golfers, who come year after year, thank you, we appreciate your business and are glad you love our course.

To our faithful skiers, thank you for selecting Pine Mountain Ski Resort for your winter fun. As you are here when the snow is on the ground, we want to show you how beautiful Pine Mountain’s TimberStone® Golf Course is when Spring Green begins.

A picture is worth a thousand words, but words from golfers who have played the course tell an equally impelling story, so here are both.

Quotes from postings on Trip advisor

“Challenging. Really enjoyed playing here, it is plenty challenging. There is plenty of slope and the fairways are pretty narrow with trees on both sides of many fairways. The landing areas are actually pretty generous, but it is very tempting to hit past the landing area making it more target style golf. The greens are good sized, and roll really well. Great fun.”

“Went with friends that I golf with often - looking for another golf course to play. Wow! The actual golf course was beautiful and proved to be a nice challenge! The clubhouse was small yet very clean. Loved the gentleman outside grilling up lunch selections! Beer cart service available, as well as full service bar in the clubhouse. Staff was very friendly!! Fun afternoon - look forward to going there again!”

We offer Stay & Play specials, and options for unlimited golf.

World Class Ski Jump

Currently Pine Mountain holds the U.S. record for the longest jump in World Cup competition at 140m (459 feet), as well as the overall distance record at 143.5m (471 feet).

The Pine Mountain Ski Jump is known throughout the world as one of the best jumping hills. It’s long been the only ski jumping venue in the United States which is awarded a competition date by FIS each year. The FIS grants Kiwanis Ski Club the right to hold his major international Ski Jump tournament at Pine Mountain. Year after year the top jumpers from around the world make their way to Pine Mountain to partake in this historic event. The With an annual attendance of over 20,000 spectators, Jump Weekend is one of the best winter experiences in the United States. Every February, tailgaters, flock to Pine Mountain and set up camp under the jump. Live bands, great food and a fun atmosphere are all a part of the Pine Mountain Jump Weekend experience. From early morning straight into the evening, the party never stops. If you want to take part in this great experience and would prefer a cozy room to relax, rejuvenate & warm up in, please book your room early, as we fill up quickly each year. Please see or call the Front Desk for reservations or reserve at our website www.PineMountainResort.com.

Climb the 450 foot Pine Mountain Ski Jump 500 steps with railing. Final climb to top is dangerous. Climb at your own risk.

Climbing The Pine Mountain Ski Jump is one of the top things to do in the Iron Mountain area. If you are not up for the climb, the adjacent observation deck offers a sweet view too.

The UP Veterans Memorial is at the top of the Ski Jump landing area. The memorial represents veterans from all 15 counties of the U.P. as well as recognizing in granite the eras of Vietnam, Lebanon-Granada, the Gulf Wars, Korea and WW I & WW II. At the base of each granite marker are pavers containing the names of those whose memory is honored and shared by others. The Memorial features a lighted 90 ft. high flagpole with a large Garrison Flag. The Pine Mountain Ski Jump is on property owned by & maintained by Dickenson County. Thank You Dickenson County, FIS & The Kiwanis Ski Club.
We are famous for the amount of snow we get. But what happens if nature does not provide enough snow for your skiing & snowboarding trip? **We Make Snow!**

Making snow is more than just waiting for the weather to be cold enough to fire up the snow guns — there are 6 key elements that need to be in place before we begin to make snow: Cold temperatures; Low humidity; Compressed air; Water; Snow guns; Snowmakers & Groomers; first and foremost, we absolutely need Cold Weather in order to make snow. Snowmaking is the production of snow by forcing water and pressurized air through a "snow gun," also known as a "snow cannon."

**Want to see how we do it?**

ATV/UTV Riding

While some people might think of soft green grass and fragrant blooms when the sun starts to melt away the snow, ATV/UTV enthusiasts are probably dreaming of all that mud. Get ready to power through soggy trails, muddy ditches and giant puddles.

Plenty of trails to ride in Iron Mountain

Trails and roads wind through forested areas, across creeks, near lakes and rivers. Some will travel on railroad grades for cruising; adventurous types will traverse over rougher terrain. Most of the trails are actually unpaved county roads. There are literally hundreds of miles of riding trails. Whether you are looking for a comfortable and scenic cruise or an adventurous backwoods romp, the ATV/UTV trails in the Dickinson County area can fulfill your needs. Pick up your Trail Map at the Front Desk.

• Bring your ATV/UTV to Pine Mountain Resort
• Rent your ATV/UTV at Pembine Sport and Lawn. For your convenience, they will deliver your ATV/UTV to you at our Resort. Easy access to trails from Pine Mountain.

Please pick up a trail map at the Front Desk.

Pembine Sport and Lawn has your year round “power for the outdoors.”

715-324-5590

ATV/UTV SEASON RUNS MAY TO OCTOBER

Michigan Requirements. Riders 16 years old and younger in Michigan must take an approved ORV education course. ATVs and UTVs are also known as ORVs. ORV is the termination controlled by Michigan law. An ORV license ($26.25) is required to ride eligible county roads, frozen surface of public waters, state forest (that are open to ORV use) and eligible national forest roads. A license is not required to operate on private lands; however, an ORV trail permit is required to ride on state-designated ORV Trail/Routes and special ORV-use areas.

We Invite you to Visit our Sister Resort
The Four Seasons Island Resort

For over one hundred years the resort, then known as Miscauno Island, has been a place of mystery and magi-
cal timelessness. Chicago society elite found this to be a unique retreat; the spectacular beauty of this island resort attracted prominent industrialists and elegant socialites who traveled long distances by train to this island getaway. The original train bridge now stands tall as a one-lane entry to the elegant and serene Four Seasons Island Resort on Miscauno Island, in Pembine, Wisconsin.

As time went by, for bad guys on the lam, Wisconsin was the refuge of choice, Al Capone, John Dillinger and Baby Face Nelson all headed for the state’s north woods when the heat was on. Some of the places where those public enemies sought a bit of peace in their not-so-peaceful lives still exist. Four Seasons is one of those places. "Al" Capone, celebrated American gangster, enjoyed the respite at Miscauno Island. Its secured island location, with one point of entry, enabled Capone to relax a bit and enjoy prohibition liquor, gambling, great food and luxurious surroundings at what is now known as Four Seasons Island Resort.

In 1923 a fire destroyed all but the massive fireplace. After that, “Miscauno Island” was transformed into a new resort called Four Seasons Club and operated as a private club for wealthy Chicagoans. Pick a prominent Chicago name – Mayer of Oscar Mayer, Scholl of shoe insert fame, the Comiskey’s who owned the White Sox, even the heavy weight boxer Jack Dempsey – and there’s a good chance it appeared on the guest register at the inn in those days.

In the early an 1990s, an unsavory group from Cicero, IL, Al Capone’s old stomping grounds, obtained own-ership of the Four Seasons Club. They poured millions of dollars into improvements to make it a truly lux-urious resort. Only the finest fixtures and furnishings would due, when they were done Four Seasons was hopping again, hosting weddings, events, snowmobilers and golfers in the lavishly resort. If such free spending at a tiny island resort puzzled Four Seasons’ neighbors, it was a little easier to understand when federal officials swooped in, accusing the unsavory group of siphoning about $12 million from the city’s health insurance fund. They were tried, convicted and fortunately restitution was made.

Our recent renovations have upheld the legendary and mysterious character of this icon of the north woods. You still, can almost feel the presence of the glamorous starlets, business tycoons and notorious gangsters of past generations. Our newly opened 55-room, all-suite hotel has been seamlessly attached to the gleam-ing white 1925 clubhouse. This enchanting retreat awaits your arrival with great food, an abundance of warm & cold weather activities. A scenic river 9 hole golf course, tennis, river activities, indoor salt water pool spa & salon and so much more. We would love to have you visit, please call 715-324-5800 for lodging, dining or for our activities. WILDMAN ADVENTURES’s Menominee River Outpost

For Wild Women & Children too

Your one stop for adventure! Overlooking the rapids, and nestled within the old growth forest of the North Woods, Wildman Adventure Resort offers many outdoor adventures ranging from mild to wild.

- **White Water Rafting**
  Whitewater rafting is just the beginning as you venture out of your comfort zone and participate in adventure sports you never thought possible!

- **Zip Lining**
  Unleash your inner aerial daredevil as you soar through the trees along the Menominee River on this Wisconsin zip line tour. One small step off the platform and it feels like you’re flying! You will experience five zip lines for over 1900 feet of adrenaline pumping action.

- **Rock & Alpine Climbing**
  With routes from easy to medium to hard, this trip is for any skill level. Your effort will all be worth it when you see the incredible view from the top of the wall! Your challenge is to conquer the wall and your inner fear, but you can leave the safety up to Wildman Adventures. Guests are on belay at all times and systems to ensure complete safety. Your guides will be in control of all equipment and instruction, you just have to have fun and enjoy the challenge! The Alpine Tower is a remarkable high ropes course adventure constructed on a series of vertical towers, providing an unforgettable outdoor experience.

- **Paint Ball**
  A bead of sweat is rolling down your cheek. Your finger is on the trigger as you scan the surrounding terrain. Your eyes focus on a grove of trees. Was that movement? Now is the time to make your move. Do you sprint ahead for the ambush or wait silently for your opponent to make the first move. The success of your team depends on you making the right split second decision.

Easy Drive from Four Seasons Island Resort & Pine Mountain Resort

**Piers Gorge**, 26 minutes from Pine Mountain Resort, 35 minutes from Four Seasons Island Resort. Located on the Menominee River in Dickinson County, 3 miles southwest of Norway Michigan, Piers Gorge is a scenic gorge carved out by the river with a 20-foot cascading waterfall with four sets of rapids. Reached by a 3-mile hike that winds past several rapids and smaller falls along the Menominee River, Piers Gorge is named for the natural rocky “piers” that the river tumbles over, resulting in four sets of rapids, which can also be classified as low falls. The highest of the four rapids is 8 feet high and named Mishicot Falls, while the last is a mile downstream and called the Sand Portage Falls. Piers Gorge is located at the end of Piers Gorge Road with a large shaded parking area at the trailhead, which leads to the falls. *Piers Gorge Road, Dickinson County, Wisconsin*

**18 Foot Falls**, 25 minutes from Four Seasons Island Resort, 50 minutes from Pine Mountain Resort. Located in the self-proclaimed Waterfall Capitol of Wisconsin – Marinette County – the Eighteen Foot Falls is a wild waterfall and the largest of the “Foot Falls” in the county. The Eighteen Foot Falls is reached by a relatively comfortable 10-minute hike along a rough and uneven trail, which can be found by first visiting Twelve Foot Falls. The best way to reach Eighteen Foot Falls is to leave Twelve Foot Falls Park, head north on Twelve Foot Falls Road, and drive or walk around half a mile to a small parking area. Follow the trail to the Pike River and look for the signs to Eighteen Foot Falls. The trail ends at the top of the falls. *12 Foot Falls Rd, Dunbar, WI 54119, Phone: 800-236-6681*

**Lasalle Falls**, 30 minutes from Pine Mountain Resort, 45 minutes from Four Seasons Island Resort. Lasalle Falls is an impressive slide on the Pine River in Florence County set in a scenic gorge that can easily be reached by a comfortable 1-mile hike through a beautiful forest. The falls are one of the more extensive set of falls in the area and the greater Lake Michigan watershed, with a sliding drop of 20 feet and a 15-foot crest. A wild waterfall with no fences or railings, the falls are runnable by kayak and can be reached from the parking area around 2.5 miles north of County Highway C. From the parking area, a short 1-mile hike leads through the woods to the waterfall and ends at the brink of the falls, where a steep scrabble will take you down into the gorge, which boasts beautiful views. *2733 La Salle Falls Access Road, Florence, WI 54121*
Wisconsin Waterfalls

An easy drive from Four Seasons Island Resort & Pine Mountain Resort

Dave’s Falls, 15 minutes from Four Seasons Island Resort, 50 minutes from Pine Mountain Resort. Located in Marinette County, 1 mile south of Amberg, Dave’s Falls is fed by the Pike River and is one of many small waterfalls found in Marinette County. Situated off US 41, the falls are relatively easy to visit and are surrounded by picturesque landscapes. The 15-foot falls are divided into upper and lower falls, the lower of which are a narrow chute with a total drop of about 10 feet, while the upper falls are a broader slide with a 6-foot drop. The rugged rocks around the fall make them an attractive site to visit and explore by clambering around them to get the best views.

Long Slide Falls, 20 minutes from Four Seasons Island Resort, Fed by the North Branch Pemebonwon River, Long Slide Falls is a 50-foot scenic slide waterfall and one of the most impressive falls in the Lake Michigan Watershed in northeastern Wisconsin. Situated a few miles north of Pembine, the waterfall is named for its long, steep slide, which cascades down among some rugged rock formations and which can be explored by clambering around on these. Long Slide Falls can be reached by heading north out of Pembine on US 8/141 and following the signs to Morgan Park. Long Slide Falls is about 4 miles past the park and can be reached after a short walk. Morgan Park: 19882 Morgan Park Rd, Pembine, WI 54156, Phone: 715-324-5711

Smalley Falls, Just a couple of minutes from Four Seasons Island Resort, 40 minutes from Pine Mountain Resort. This is a small falls in Wisconsin. Like many of the falls in this area of the state, the hike can be a little challenging in places (mostly roots in the path). The walk to the falls is well worth it. The falls are charming and the fresh air is invigorating. I do recommend that you wear appropriate footwear. This waterfall, like many in the area, is easy to find and located in a county park.
Michigan & Wisconsin Fishing

White Water Rafting at Kosirs

These whitewater rafting trips are run in four to twelve place rafts under the supervision of Kosir’s professional guides and include helmets, life jackets and paddles as well as transportation from our Menominee River Outpost to river and back again. The mighty Menominee River is a large volume river which has one of the greatest flows in the Midwest, with rapids and hydraulics similar to those of great western rivers. Bordered by the beautiful Upper Peninsula of Michigan, our trip starts out quietly in the scenic surroundings of Niagara, Wisconsin careening past 200-foot high cliffs. Then increasing its intensity through Sand Portage Rapid, it culminates with a 10-foot waterfall in the legendary Piers Gorge. 715-757-3431

The Menominee Range Historical Foundation is dedicated to the perpetuation and preservation of the history of the Menominee Iron Range and the use of that history and our museums to further educate the general public. They maintain three separate museums and a gift shop in Iron Mountain, Michigan.

World War II Glider and Military Museum Features one of only seven fully-restored CG-4A gliders in the world, as well as extensive military displays. During World War II, the Ford Motor Company’s plant in Kingsford built more Model CG-4A gliders for the United States Army than any other company in the nation at much less cost than other manufacturers. The military museum also contains an extensive collection of military uniforms from the Civil War through the wars in Iraq and Afghanistan. Other memorabilia includes displays of World War II photographs, Nazi Germany artifacts, a restored World War II vintage Jeep, a 1930’s Model AA Ford dump truck and a Model A Ford Tudor sedan.

The Cornish Pumping Engine is the largest steam-driven pumping engine ever built in the United States, is a Michigan Historic Site (1958), a National Historic Site (1981), a Michigan Historic Civil Engineering Landmark (1984) and a National Historic Mechanical Engineering Landmark (1987). In addition to the mammoth steam engine, this museum also displays extensive underground mining equipment and contains the Museum Gift Shop. The giant 725-ton Cornish Pumping Engine rises 54 feet above the engine room floor and measures 75 feet from the back of the end of the pump bob to the back of the flywheel which measures 40 feet diameter and weighs 160 tons.

Menominee Range Historical Museum features over 100 exhibits depicting life on the Menominee Iron Range from the latter part of the nineteenth century through the early years of the twentieth century. Located at 300 East Ludington Street. Open June 3 through Labor Day Hours: 11 am - 3 pm Tuesday - Friday. Call for Fall Hours Seasonal Phone: (906) 774-4276. www.wixsite.com/ironmine

Four Seasons Island Resort is the premier destination for productive meetings, conferences, conventions, trade shows, holiday parties, team building, luxury accommodations, great food & fun.

We have a business center and four versatile meeting rooms and ballrooms for small and large groups. We can provide all the audio visual equipment you may require and so much more.

Four Seasons will provide your staff with luxury accommodations. Our Resort features modern, updated all suite rooms, which were added to the historic main building only a few years past. For your convenience, our modern updated lodging is connected to the main historic Club House, restaurants, bars, and banquet rooms. All lodging rooms are either full suites or 1 or 2 bedroom luxury suites.

Thinking about planning a team building event? The natural beauty and the abundant activities at and around Four Seasons make it the perfect Venue for team building activities.

- Cross County Skiing or Snowshoeing scavenger hunt?
